

## **Notice:** Flooring Replacements in Emergency Department Entrance, August 3 – August 6, 2015

From Monday August 3rd to Thursday August 6th, work will occur in the Emergency Department entrance hallway to replace the flooring and baseboards. The work will occur in phases in order to minimize impacts. Please note these important impacts and dates related to the project:

### Emergency Department Waiting Room Detour

**Monday, August 3rd, 10 p.m. – 5 a.m.**

Access to the Emergency Department waiting area from the ED entrance will be closed. Patients and staff will be re-routed to the doors to the left of the ED entrance.

### Stairwell Access Closure

**Monday, August 3rd, 10 p.m. – 5 a.m.**

Access to the stairwell in the Emergency Department entrance from Level 1 will be closed. Alternative stairwells should be used during this time.

### Dining Hall Entrance Closure

**Tuesday, August 4th, 9 p.m. – 12 midnight**

The entrance to the dining hall nearest the Emergency Department will be closed. Alternative access to the dining hall will be available via the main entrance in the front hallway. Dining operations will continue during this time.

### Temporary Vending Machine Removal

**Friday, July 31st – Tuesday, August 4th**

Vending machines near the Emergency Department on Level 1 will be temporarily removed during work. Alternative vending machines are located in the employee breakroom on the Ground Level near the escalators. Alternative dining is available at The Perk in the cafeteria and the LPCH Coffee Kiosk inside the LPCH cafeteria.

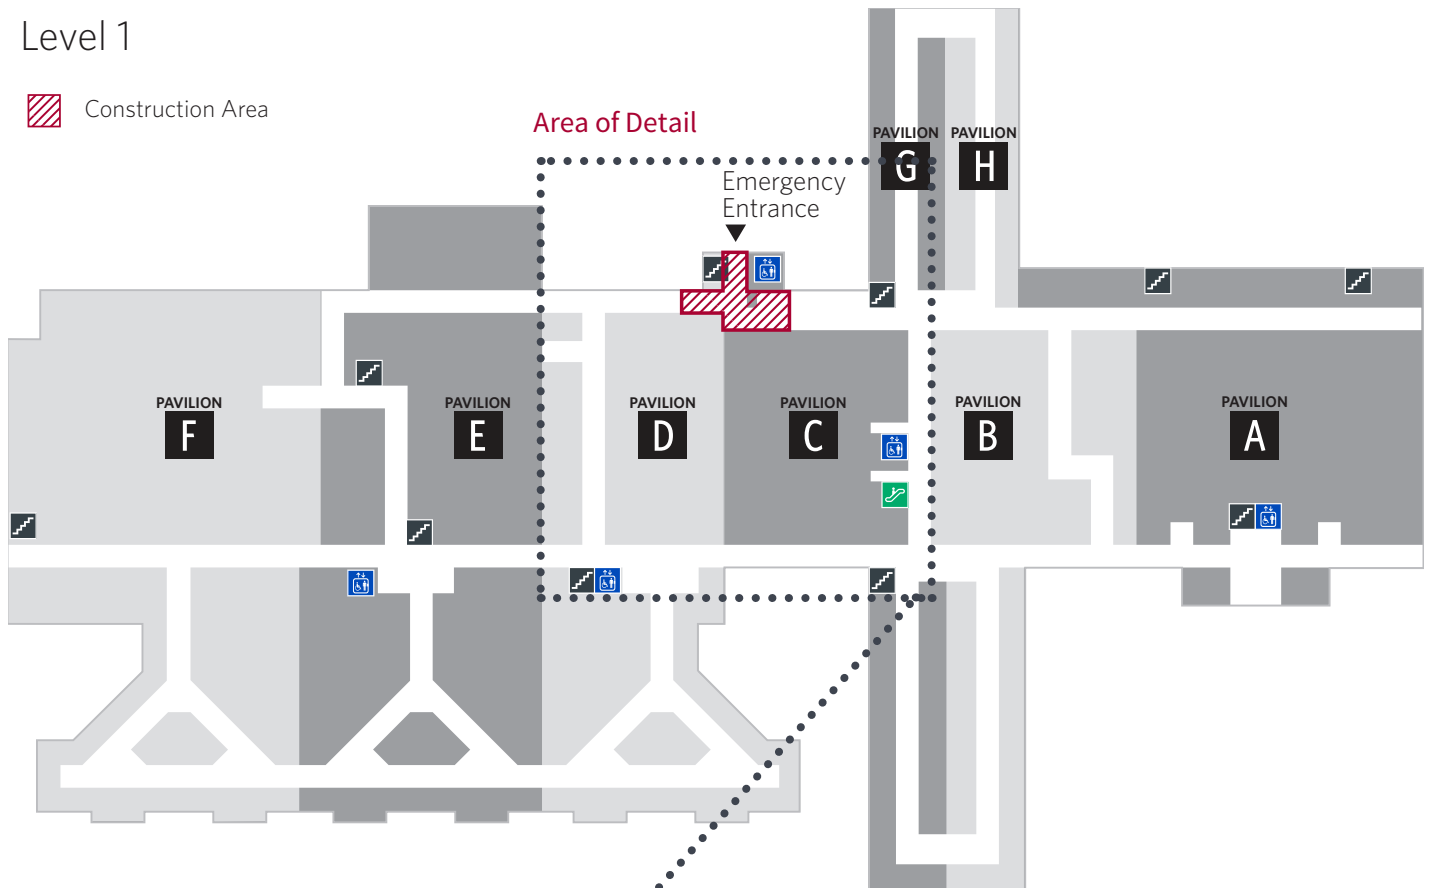

### Questions About the C-I-CARE Spring Refresh Project?

Contact the FSRC at (650) 498-4400.

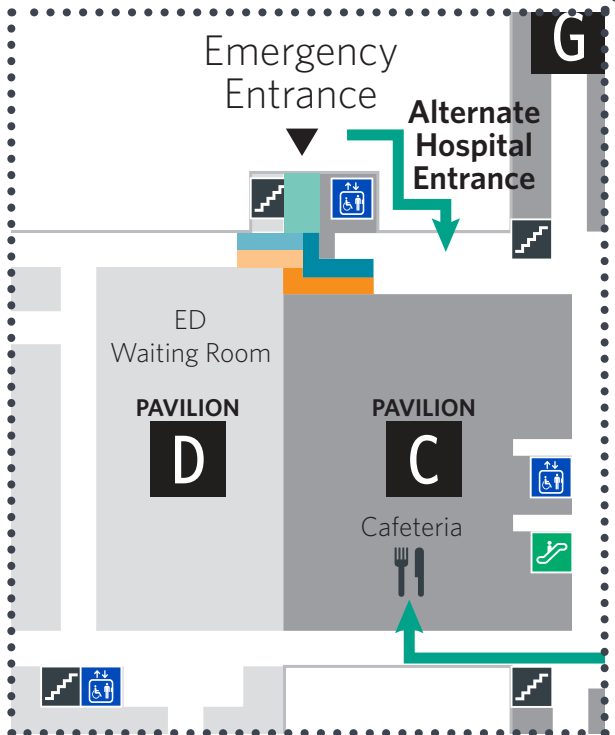

Stanford Health Care is upgrading and improving its facilities in order to deliver the very best care and work environment for our patients and staff. As part of this effort, the Spring Refresh C-I-CARE project will replace flooring and baseboards in all major corridors in the B/C Patient Unit (Level 1, 2 and 3), the Cafeteria and Emergency Department Entrance, deep clean patient units, rooms and public spaces and de-clutter patient units. Work began in May and will continue through August.
